

00:43:26 mel scult: I have a comment of course.

01:00:31 Meredith Cahn (she/her): That's just beautiful.

01:17:55 Carol Anshien: Question for MF re: Yahatz - might you using "brokenness" as similar to the Buddhist "suffering"?

01:18:10 Carol Anshien: Question re: names of Pharoah's daughter and Moses mother; didn't rabbis give each names in midrash Why not include? (Bat yah; Yochevet)?

01:19:16 Allan Kensky: Moses' mother Yocheved definitely named in Exodus 6

01:20:47 Carol Anshien: SO Beautiful! "Enough" Thank you.

01:20:58 Marcia H Schoppik: Did you choose to not present the "cursing of the nations that do not recognize you" (Shfoch) as no longer significant/relevant?

01:22:09 Diane Fisher: Can you comment on what you did with Next Year may we see a Jerusalem...rather than Next Year IN Jerusalem?

01:26:44 Melanie Aron: The Israeli Reform Movement's New Siddur does use some of Marcia's work.

01:27:13 Elaine Moise: It's a really wonderful siddur -- has some very interesting liturgical innovations.

01:28:47 Uri Regev: Indeed, it enriches our Israeli Reform siddur, and you are so right, Marcia, about the importance of Hebrew, and you will forever be credited for your amazing and rich command of the language

01:31:50 Carol Anshien: How did you decide the color coding, and choice of colors.

01:39:16 Sue Kittner Huntting: I have followed Marcia work for years. So wonderful to hear her talk about her process. Love how intentional and refreshingly unique her choices are.

01:40:21 Elaine Moise: Many thanks to Marcia and the Kaplan Center for this wonderful webinar, and for this beautiful new Haggadah.

01:40:26 Elaine Moise: need to go now...

01:42:00 Agi Lukacs: Thanks lots!

01:53:47 Carol Anshien: Again ask: why leave out that the names of Pharoah's daughter other's (rabbis?) have suggested...in the past.?

01:54:00 Rabbi Joan Sacks: Mel, what do you think Kaplan would have done with (Shfoch)?

01:54:26 Carol Anshien: I guess we could bring those names in at a seder...

01:56:17 Carol Anshien: What previous haggadah's did you look at?

01:57:48 Carol Anshien: Might you call this a Meditation Haggadah?

01:59:08 P Shapiro: Solomon Schechter! Shame on me for not realizing until now that you're a fellow Montrealer, Eric :)

02:00:10 Beth Blackmore: Montreal represents!
Jack Wolofsky is here too

02:00:34 Shirley Segev: Toronto too

02:00:55 Sue Kittner Huntting: Right on! Let's hear it for white space around our brachot!

02:01:54 Melanie Aron: Thank you for the webinar and also for Marcia

Falk whose new berachot have been a blessing to those looking for language for our time—and yes Jewish liturgy has a LOT of words which can be a challenge or distraction

02:02:22 Carol Anshien: Meditative, again.

02:02:45 Rabbi Joan Sacks: My daughter is moving to Canada. Now I know I have people I can consult about Jewish life in Canada, particularly Jewish life in Canada, most likely Toronto.

02:03:08 Carol Anshien: 🙏🌸

02:03:10 Rabbi Joan Sacks: Sorry about the accidental doubling there.

02:03:24 Luther Jett: Thank you Rev Falk and all who contributed to this project!

02:08:29 Marcia H Schoppik: Exodus 6:20 mentions Yocheved

02:12:12 Rabbi Joan Sacks: Marcia, I don't think you need to take it out of the Haggadah. As a woman and as a woman rabbi, I have some of the same concerns. I am glad you are so direct and honest.

02:13:25 Carol Anshien: I don't have the book in front of me, but Yochevet is mentioned as Moses mother in Exodus;6:20... so ????

02:13:56 Carol Anshien: in Tanach?

02:17:14 Beth Blackmore: Isn't Pharoah's daughter inamed Batya in midrash?

02:17:55 Diane Elliot: Marcia, so wonderful to be here with you today. I so appreciate your aesthetic, as well as your scholarly approaches to our liturgical traditions. You've so clearly steeped for decades in these streams of tradition and you filter them through your consciousness with such loving care and sensitivity. I look forward to experiencing your haggadah at this year's seders. Kol ha-kavod.

02:19:08 Carol Anshien: I love the pronoun awareness... thank you!!!

02:19:20 Carol Anshien: Bat Yah daughter of G!d. ??

02:20:17 Nanci Tucker: Love this conversation. Thank you and congratulations Marcia
